[During the time where goku aids the time patrol as seen in dragon ball heroes goku wears a black outfit with a red top and a blue sash he also uses his power pole again and carries a bag for senzu beans while wearing these clothes goku is referred to as xeno goku](#)

[Akira toriyama s first draft of goku](#)

[As dragon ball was initially based on journey to the west the character of goku was based on the monkey king sun wukong goku s design was based on tanton of akira toriyama s prototype manga dragon boy and tongpoo from his other manga the adventures of tongpoo when toriyama started his first draft of dragon ball he originally planned on making goku full monkey to make the series more faithful to journey to the west during toriyama s second draft he wanted to make goku a full human dressed in sailor clothes that rode a flight mecha instead of the flying nimbus 17 toriyama s third and final draft of goku was to have him human looking with a monkey tail](#)
